Radio Waterloo - CKMS

July 2015

## CKMS to move again?

by: DJ Steel

There are problems in radio-land again! An email from CKMS president Mark Ciesluk got the membership talking when he mentioned that the station is considering a change of location. This would be the fourth location change since 2009. Many members feel that the current site is the best location that the station has ever had. Mark agrees that this is the greatest location CKMS has had, but he does not want to approve an increase to programming fees for a second time in one year in order to continue to afford the current location. As a newly licensed Community Radio Station (2014), CKMS has zero employees, the station operates entirely on a volunteer basis and currently only nine of a possible eleven board positions are filled. What is your opinion on a station move?

## What the heck are the "FM Times"?

The original "FM Times" was a monthly newspaper/magazine created by CKMS during the period of 1977 - 1983. These publications carried the monthly schedule and talked about news within the station. These publications were also an additional source of income for the station.

The "SoundFM Times" is an homage to these great publications from the past in a one page monthly news media format. Contests, news, features, schedules and more will all be packed into one page!

## New CKMS 'Airtime' Rates Available

CKMS is cutting the rates in half during special 'airtime' community hours. During these time slots you can program a radio show from the comfort of your home! You will have access to the stations digital library and can upload your own recordings. Check the attached schedule for more information.
